Proposed City Deal Final Infrastructure Grant Allocations 2025/26

Purpose of Report:

This report advises the Cabinet of the proposed City Deal final grant allocation to each member authority for 2025/26.

Recommendations:

The Cabinet is invited to:

- (i) note this report; and
- (ii) approve the allocations.

1. Purpose

- 1.1 This report advises the Cabinet of the proposed final allocation of Infrastructure Grant to each member authority for 2025/26.

2. Background

- 2.1 After recent years relatively small City Deal Infrastructure Grants the Gateway review released an increased grant of £60m for 2025/26. This £60m grant was of sufficient size to facilitate both an interim and final grant allocation.
- 2.2 In order not to disadvantage the Clyde Metro Regional project, which receives full grant allocation for any spend incurred, and potentially other projects that have large spend at the end of the financial year, it was agreed that £45m would be paid in August / September'25 and £15m of the grant funding would be held back to make a final grant allocation in June 2026 based on Quarter 4 2025/26 financials.

3. Methodology and Allocation

- 3.1 The approach in relation to the final allocation of grant in 2025/26 is based on each member authority's cumulative actual spend levels and business case approvals reported in the Quarter 4 Project Status Reports. This approach is consistent with that for prior year main grant allocations considered by the Cabinet.
- 3.2 Grant funds allocated to member authorities cannot be in excess of eligible expenditure incurred and the proposed final infrastructure grant allocations for 2025/26, together with expenditure incurred, grants received to date and grant ceiling, are shown in the table below.

Member Authority	Cumulative Total Expenditure to Q4	Grants received to date	Grant Ceiling as at Q4	Final Grant Allocation
	£m	£m	£m	£m
East Dunbartonshire	9.177	5.802	3.375	1.471
East Renfrewshire	33.533	20.297	10.113	0.490
Glasgow	247.098	184.085	53.950	2.329
Inverclyde	24.108	14.282	7.953	1.650
North Lanarkshire	63.817	48.226	14.739	2.346
Renfrewshire	138.196	88.797	30.493	1.826
South Lanarkshire	87.140	68.370	12.479	0.691
West Dunbartonshire	25.682	11.213	14.416	2.065
Regional Project	6.060	3.928	2.132	2.132
TOTAL	634.811	445.000	149.650	15.000

** The grant ceiling is a control figure to avoid overpayment and is based on actual expenditure, business case approvals, project budget and grants received to date.
