6 There was submitted a report by the Head of Audit and Inspection providing an update on the status of audit recommendations agreed previously with services,

(1) advising that since the last report to this committee on 17th June 2026 (Print 3, page 143), services had been responsible for following up recommendations that were due to have been implemented, with 62 remaining outstanding as at 18th September 2026 split across each service area, as detailed in the report;

(2) intimating that during the period from 29th May to 18th September 2026, services had satisfactorily implemented 32 recommendations, as detailed in the report; and

(3) detailing a summary of outstanding recommendations by service area and priority, together with the register of all recommendations that had still to be implemented, as detailed in an appendix to the report.

After consideration, the committee noted
