**Strategic Plan Performance - Grand Challenge 2 - Increase opportunity and prosperity for our citizens - Missions 1, 2 and 3 - Service commitments noted etc - Instruction to Officers.**

**2** With reference to the minutes of 4th December 2024 (Print 6, page 168) noting that requests for further details or progress updates relating to specific commitments of the Council's Strategic Plan would form part of this committee's future work programme, there was submitted a report by the Chief Executive,

(1) advising

(a) that a template report had been issued to all Services that structured and supported scrutiny of the Strategic Plan and illustrated the crosscutting nature of its Missions as those Services worked together to deliver the Council's priorities;

(b) that the Strategic Plan was subject to annual review to reflect the volatility of outside pressures and budget constraints; and

(c) of the work underway across a number of key areas to deliver the plan's commitments; and

(2) detailing in an appendix to the report, progress and performance updates, sample case studies and planned activity by the Chief Executive's Department, Education Services and Neighbourhoods, Regeneration and Sustainability across key areas to deliver those commitments, focussing particularly on Grand Challenge 2 and the undernoted Missions:-

(a) Mission 1 – Support Glasgow residents into sustainable and fair work;

(b) Mission 2 – Support the growth of an innovative, resilient and net zero carbon economy; and

(c) Mission 3 – Raise attainment amongst Glasgow's children and young people.

After consideration, the committee

(i) noted

(A) the report; and

(B) that if required, officers would report back with further detail or progress updates on specific commitments or actions as part of the committee's future work programme; and

(ii) instructed officers to ensure that future Strategic Plan Performance reports provide improved detail on Grand Challenge progress, impact and outcomes and RAG status justification.
