Scottish Fire and Rescue Consultation - Local Fire and Rescue Plan for City of Glasgow 2026 - Update noted.

5 There was heard and noted a verbal update by Scottish Fire and Rescue Service regarding the Local Fire and Rescue Plan for Glasgow 2026, advising that

(1) the consultation process for the draft Local Fire and Rescue Plan 2026 would run until 15th October 2026, which had consulted with various organisations and partners in the city;

(2) following the consultation period, all feedback and responses would be reviewed and assessed when forming the Plan; and

(3) an update would be provided to this Partnership following the consultation process in due course.

Thereafter, Local Senior Officer Garry Marshall provided a verbal update on a piece of work that was being undertaken by SFRS, and would be in conjunction with multi-agency partners, to producing a 'Citizens Guide' for every citizen in the city that focussed on:-

(a) fire prevention;

(b) tips and guides to keeping ourselves safe in the home;

(c) what action to take if a fire occurred; and

(d) how to deal with potential major crisis situations.

As this was in its early stages, an update would be provided to a future meeting.
