Bonfire Planning presentation noted.

3 There was heard a joint presentation by the Scottish Fire and Rescue Service, Police Scotland and Neighbourhoods, Regeneration and Sustainability (NRS) regarding the Bonfire 2026 planning arrangements, advising that

(1) preparations were underway for Bonfire night 2026, with multi-agency meetings already having taken place, that included officers from NRS, SFRS and Police Scotland to discuss and progress plans, look at emerging intelligence and any actions required to mitigate risk and anti-social behaviour during this period;

(2) SFRS, in conjunction with Police School Engagement Officers would continue their well established engagement and education approach in secondary and primary schools across the city to engage with pupils, focussing primarily on safety but also on the potential for anti-social behaviour that could occur during this period; and

(3) following on from lessons learned from previous years, cleansing teams from the Council would be in place in the lead up to and on Bonfire night, to assist with clearing potential sites.

After consideration, the Partnership thanked

(a) the Scottish Fire and Rescue Service, Police Scotland and Neighbourhoods, Regeneration and Sustainability (NRS) for their joint presentation and welcomed the ongoing preparations from all multi-agency partners; and

(b) Councillor McSporran for her continued role as Bonfire Champion.
