Feeding Britain on behalf of Good Food Scotland **Purchase of Freezer for Knightswood Community Shop**	**Proposal:** Good Food Scotland is seeking funding to purchase a commercial display freezer for the Knightswood Community Shop. Increased demand has created a need for additional frozen food storage, restricting the quantity and variety of affordable food currently available. **When:** The freezer will be purchased and installed as soon as possible allowing the community shop to expand its frozen food offering and improve stock availability throughout the year. **Where:** The project will take place at the Knightswood Community Shop, serving residents within the Garscadden/Scotstounhill area. **Who Will Benefit:** Approximately 440 local residents will benefit from increased access to affordable food, particularly individuals and families experiencing financial hardship and cost-of-living pressures. The project will help improve food availability, support household budgets, and contribute to the health and wellbeing of the local community. **Cost Breakdown:**	**Total Cost:** £1,620 **Match Funding:** No Match Funding **Area Budget Request:** **£1,620**	**Award- £1,620**

	Commercial Display Freezer- £1,620
