

## **Scottish Fire and Rescue Service Ward update noted etc.**

7 There was heard and noted an update by Station Commander John Allan, Scottish Fire and Rescue Service, regarding the current issues, incidents and work being carried out in the Ward for Quarter 4, from 1st January to 31st March 2026, advising the Partnership that

- (1) there had been 87 incidents in total in the East End of the City with 12 fires in total, 19 incidents, 3 casualties hospitalised and no fatalities in the Ward;
- (2) there were no legal responsibilities to monitor vape shops; and
- (3) there had been a rise in lithium battery incidents and reminded members that these batteries should be disposed of appropriately.
