

Police Scotland Ward update noted.

9 There was heard a report by Sergeants Neill Reilly and Stewart Menzies, Police Scotland, advising the Partnership that

- (1) the Easter Action Plan was coming to an end and that this had been successful in tackling anti social behaviour;
- (2) Police Scotland had been working in conjunction with the JJ Effect Initiative and schools to educate young people on knife crime and gang violence;
- (3) a variety of offenders had been apprehended due to the Retail Crime Action Plan which had been operating around Glasgow Fort, Robroyston and Auchinlea Way;
- (4) local intel had led to drug arrests in the area and Police Scotland requested that any information be passed to either local officers or Crimestoppers; and
- (5) that community groups could contact Police Scotland if they need any police engagement.

After consideration, the Partnership

- (a) noted the report and thanked Sergeant Reilly and Menzies for the update; and
- (b) raised a number of questions and concerns that were addressed by Sergeant Menzies and Reilly, who requested that the community report any issues regarding the illegal selling of vapes and counterfeit cigarettes to Police Scotland to allow them to combat these issues.
