

Barmulloch Community Development Centre - Presentation noted.

8 There was heard and noted a presentation by Martin McElroy, Chief Executive of Barmulloch Community Development Centre (BCDC), detailing

- (1) the BCDC's mission to enable communities and organisations in ward 17 and surrounding areas, to improve social, well-being and economic standards;
- (2) their Local Place Plan to focus on green and open spaces and use the views from the local residents to help shape new projects;
- (3) the project which supports national and local government objectives, increasing usage of park and reduces anti-social behaviour and regenerates the local area both economically and socially;
- (4) the plans for Broomfield Park to upgrade and redesign the play area and youth area, improve policing and prevent use by quad bikes, reintroduce recreational use on derelict land behind Broomfield Road Centre, develop Barmulloch Garden Farm proposal on Ryeside Road and wetland/drainage proposals;
- (5) the plans for Robroyston Park to carry out a habitat survey, tree planting, possible summer events, a 'welcome' signage, heritage and public art and feasibility study and landscape design concept for future enhancement of the park; and
- (6) the Wider Green Network the 'Co-op Park' the path improvements, upgrades to the play and social space, tree and wildflower planting, Brookfield Park' heritage hub, path network and community growing space and 'Robroyston South' protection of green space with local access, new play facilities and creating of path network.

After consideration, the Partnership thanked Martin for the presentation and expressed their support to Barmulloch Community Development Centre's projects in the future.
