Pride in Place Programme: Springburn and Sighthill 2026/36 – Update noted etc – Request to Head of Policy and Corporate Governance.

4 There was heard and noted a progress report by the Head of Policy and Corporate Governance advising

(1) of the Springburn and Sighthill Pride in Place budget position for 2026/2036; submissions to date, and governance arrangements in development;

(2) that Springburn & Sighthill had been selected to receive funding of up to £20 million over a ten-year period, enabling long-term investment in projects that would create thriving places, strengthen communities and empower local people to influence the future of their neighbourhoods;

(3) the key feature of the Programme was the establishment of Neighbourhood Boards, placing local people at the centre of decisions around how funding was invested in their communities;

(4) the Neighbourhood Board was responsible for preparing a Regeneration Plan that set out a shared vision for Springburn/Sighthill over the next 10 years; and

(5) that all four relevant Area Partnerships in both Pride in Place areas were notified of the process to identify board Chairs with letters sent out by the MP's office to 7,000 households in the area, informing them about the PIP programme, and asking for expressions of interest in joining the board.

After consideration, the Partnership

(a) noted the report;

(b) requested that the Head of Policy and Corporate Governance confirm if the Royston area was included in the programme as the boundary map was not clear; and

(c) thanked Andrew McLinden and Jim Hope for the update.
