Full Details of the Proposed Catering Provision	28 days before event (If documentation is requested)
Food Safety Management System(s)	28 days before event (If documentation is requested)
Water Sample Certification	14 days before event (If documentation is requested)

Noise

The licence holder shall employ best practicable means to ensure, so far as is reasonably practicable, that:

13. That noise from the venue shall not give rise to a Statutory Noise Nuisance in domestic dwellings (as defined in section 79 of the Environmental Protection Act 1990).
14. That a Noise Management Plan shall be provided at least 28 days in advance of an event detailing the measures to be taken to minimise the impact of amplified and environmental noise associated with the event on nearby noise-sensitive premises; this may be incorporated into the Event Management Plan and should include comment on the configuration of the sound system(s) and any necessary acoustic mitigation measures.
15. That all works associated with the erection and dismantling of any structure (including fencing) associated with the event shall employ Best Practicable Means to minimise noise at all times and shall take place between 08:00 hours and 20:00 hours, Monday to Saturday and 10:00 hours and 20:00 hours on Sunday, unless authorised in writing by Environmental Health on behalf of the Licensing Authority.
16. That any rehearsal or sound check to take place prior to the event shall take place between 08:00 hours and 20:00 hours, Monday to Saturday, and 10:00 hours and 20:00 hours on Sunday, unless authorised in writing by Environmental Health on behalf of the Licensing Authority.
17. That plant, machinery or equipment associated with the event shall be designed and/or attenuated such that, within any noise-sensitive premises, it shall not give rise to a noise level exceeding Noise Rating Curve 25 between the hours of 23:00 and 07:00 and Noise Rating Curve 35 at all other times.
18. That the start time of any amplified noise or music associated with the event shall not be prior to 10:00 hours and the finish time not after 22:45 hours, unless permission has been authorised in writing by Environmental Health on behalf of the Licensing Authority.
19. That they shall take whatever steps are necessary to ensure local residents are informed at a reasonable length of time prior to the event, of the nature, time, and duration of the event.

General

The licence holder **shall** ensure:

20. That all waste materials generated from the event shall be uplifted and disposed of by a registered waste contractor.
 21. That they shall refrain from advertising the event by fly-posting methods.
 22. That the site shall be left in a clean and tidy condition at the end of the event.
-
