Neighbourhood Infrastructure Improvement Fund (NIIF) – New Proposals

Purpose of Report:

To summarise further NIIF funding proposals that have been received from community organisations.

Recommendations:

The Area Partnership is asked to consider the funding proposals outlined in Appendix 1 and decide whether it wishes them to be referred to NRS to be assessed and costed.

Introduction.

1. The purpose of this paper is to present further proposals for NIIF funding to the Area Partnership to consider. Ideas that the Area Partnership wishes to go forward to the next stage will be assessed and costed by Neighbourhoods, Regeneration and Sustainability (NRS) and brought to a future meeting when the Area Partnership will be asked to consider allocating funding.

Proposal for NIIF funding.

2. The Partnership has been considering proposals for NIIF funding generated by local communities on an ongoing basis. A template has been used to gather ideas based on the detail that NRS need to properly assess and cost proposals.

3. Further proposals have been received and are attached as **Appendix 1**.

Funding Position.

4. Members are reminded that the forthcoming meeting of the Area Partnership will represent a **critical decision point** for the NIIF to ensure full expenditure of the fund within the agreed timeframes. Area Partnerships are asked to review and decide on all available cost estimates at these meetings. **These are detailed in a separate report from NRS**.

5. Area Partnerships are also asked to agree on any further proposals that members wish to be costed at this meeting. Any proposals that are not referred to NRS to be costed at the forthcoming meeting are **unlikely to be costed, approved, or delivered by April 2027**, and uncommitted funding may ultimately be **unavailable to spend**.

Recommendations.

6. The Area Partnership is asked to consider the funding proposals outlined in Appendix 1 and decide whether it wishes them to be referred to NRS to be assessed and costed.
