Hillhead Week of Action – Hillhead / Ward 11

Purpose of Report:

To provide members with an update on the "Hillhead Week of Action".

Recommendations:

The Area Partnership is asked to:

1) note the report;
2) review and discuss the outcomes for the services as outlined in the table provided by NRS below.

1. Hillhead Week of Action

Service	Outcomes
Parks and Streetscene	9 streets targeted throughout course of week • All streets were de-weeded throughout course of week. • Deep Clean Team – 3 ops – 5 days • Mechanical – 1 • Manual sweepers – 2 • Herbicide works – 3 ops for 4 hours • RRT – 2 ops
Graffiti Team	• Jobs Completed – 47 • Total Graffiti Removed – 222 metres
Public Health	Officers from Public Health Patrolled the target area. Most fly-tipped bags found were searched where safe to do so, with evidence found in some of the bags. Other fly-tipped items, such as white goods and furniture in most cases had no evidence as to the source. Fly-tipped waste had 'Environmental Crime Scene' tape and signage/stickers applied to the waste and in visible areas of the incidents. • Any waste found was reported to dispatcher colleagues based at Blochairn • One fixed penalty notice was issued for fly-tipping • 14 locations where waste/bags were searched for evidence as to the source was found included black bags, electrical items, carpet, furniture and cardboard packaging, as well as garden waste • Environmental Crime Scene visuals were deployed where appropriate • Officers knocked on doors and spoke to local residents to ask if they knew where fly-tipping may have originated from and to give advice on waste disposal • Letters were handed out to local residents advising on fly-tipping and options for correct disposal of waste.
Litter Enforcement	• 8th August – 4 CEO • 9th August – 4 CEO • 10th August – 4 CEO • 11th August – 4 CEO • 12th August – 4 CEO • No Litter FPN's issued
Dog Fouling Team	• 8th August – 4 CE0 • 9th August – 4 CEO • 10th August – 4 CEO • 11th August – 4 CEO • 12th August – 4 CEO • No dog fouling FPNS issued.

	.
Community Payback	• 5 days on site • 20 unpaid work clients worked on site throughout the week (120 client hours, 150 hours if you include supervisor) Work included: • scraping weeds and moss from pavement edges and borders • cutbacks of overgrown shrubbery and foliage encroaching onto pavements and pathways • Waste removed: • 4 cage van loads • Approx. 1,600kgs (1.6 tonnes)
Commercial Enforcement	• Total Visits - 46 • Compliant - 36 • Statutory Notices - 5 • Revisits - 5
Lighting	• Dark lamp repairs - 8 • LED lantern replacements – 55
Police Scotland	• Police Officers provided public reassurance patrols within the area and around Homeless accommodation.
Neighbourhood Improvement and Enforcement Service	**BARTA Bank Street Area Residents and Traders Association** • 10 bags plus some bulk items – 2 chairs, broken glass, poles
Gully cleaned	• 9 streets within scope completed
Lining works	• Great George Street- Completed • Bower Street- Completed • Hillhead Street- Completed • Gibson Street (partial) • Oakfield Avenue - between Gibson Street and Glasgow Street • Glasgow Street – Completed • Southpark Avenue – not completed • Bank Street- Completed • Cecil Street – Not required
Social media promoted posts	• The post reached 29,481 people (both organically and paid of all our audience) Of the potential paid for audience of 36-42,000 people in the Hillhead area on Facebook, it reached 4876 - this is more than 10% of this potential audience.
