Scottish Fire and Rescue Service ward update noted – Request to Scottish Fire and Rescue Service.

4 There was submitted a report by Station Commander Douglas Millar Scottish Fire and Rescue Service regarding the current issues, incidents and work being carried out during Quarter 3, from 1st October to 31st December 2022 for the South of the city, advising

(1) that the Service had attended 30 fire incidents, with 2 casualties, and 15 special services;

(2) that SFRS had attended 23 unwanted fire alarm signals and that from July 2023 the Service would no longer automatically attend a signal and further information could be found at Scottish Fire & Rescue Service: Unwanted Fire Alarm Signals (UFAS) (firescotland.gov.uk);

(3) of the 405 Home Fire Safety Visits, 63 of which were in the ward; and

(4) of the work carried out by the Community Action Team who distributed information leaflets and carried out anti-social behaviour and child trafficing engagements.

After consideration, the Partnership

(a) noted the report and thanked Station Commander Millar for the update; and

(b) requested the Scottish Fire and Rescue Service to provide information on recent tree fires within the ward's parks which would be circulated to the Elected Members.
