Police Scotland ward update noted.

6 There was heard a report by Sergeant Chris Daly, Police Scotland, advising the Partnership

(1) of the arrests following a serious of house break-ins and an arrest after wilful fire raising incidents in the ward;

(2) of an ongoing successful drugs campaign and that any information could be reported anonymously to Police Scotland direct or to Crimestoppers on 0800 555111;

(3) that correspondence would be issued to parents and carers following a recent meeting at Our Lady of the Rosary Primary School regarding a Car Free School Zone area around the school;

(4) of the work with Ukrainian refugee families, to help with the transition into the community;

(5) that officers continued to meet with Turf and GYIP who were a great asset and helped Police Scotland with activities within the ward;

(6) that officers continued to work with the Council's Neighbourhoods, Regeneration and Sustainability Roads Department, who had recently re-painted double yellow lines along Paisley Road West; and

(7) of the action car users could take to stop car theft, including purchasing a Faraday pouch to hold key fobs.

After consideration, the Partnership

(a) noted and thanked Sergeant Daly for the report and the work carried out by Police Scotland within the ward;

(b) raised concerns about the continued issues around the Car Free School Zones, that meetings and action days had not worked as the same problems continued to be highlighted and that urgent action was required due to the near miss accidents at the school; and

(c) requested that any correspondence to be issued to parents and carers by Police Scotland should be strongly worded and noted that officers would attend the next parent meeting to further educate parents and carers on Car Free School Zones and the importance of adhering to the regulations.
