(5) of the continued engagement of licensed premises;

(6) that bike thefts continued to be an issue and that bike marking events were being conducted within the ward and that they would continue over the coming months with a planned event at Drumchapel High School;

(7) that officers continued to monitor issues regarding motorbikes and quad bike issues within the ward;

(8) of the increase of catalytic converters being stolen within the Ward and that an organised crime group had been identified and charged; and

(9) road safety remained a local policing priority with officers continuing to conduct road safety action plans targeting hot spots, in particular around the Car Free Zones area at Camstradden Primary School and that officers would continue, where possible, to engage with drivers providing education with road safety matters and enforcing road traffic legislation where appropriate.
