Police Scotland ward update noted - Request to Police Scotland.

3 There was heard a report by Inspector Cenny Smith, Police Scotland, advising the Partnership

(1) of the current progress that Police Scotland had made in relation to the incident that had involved a brick smashed through a bus window which had resulted in the arrest of 2 youths and had been reported to the Prosecutor Fiscal and Childrens Reporter Panel;

(2) of the ongoing anti-social behaviour incidents at Asda and McDonalds in Toryglen and that engagement work with Asda, McDonalds and other groups would continue to prevent future incidents in the area; and

(3) of the difficult challenges in the surrounding area of Hampden, that the action plan had worked at the time of the semi-final match and that at the next final game on 26th February 2023, additional resources and a further 20 local police officers would be deployed in the area.

After consideration, the Partnership

(a) raised questions and concerns regarding anti-social behaviour, illegal parking, bus parking issues, lack of outside toilets in the Hampden area and of the disturbances that had overspilled into the areas of Langside and Battlefield; and

(b) requested that Police Scotland provide a presentation and feedback to this Partnership regarding the action plan for the Hampden area after the cup final.
