Local Development Framework South Central Glasgow report noted – Request to Executive Director of Neighbourhoods, Regeneration and Sustainability.

10 There was submitted a report by the Executive Director of Neighbourhoods, Regeneration and Sustainability regarding the Local Development Framework (LDF) for South Glasgow advising that

(1) in 2017, the Glasgow City Development Plan had been published, identifying 6 Strategic Development Framework areas and 3 Local Development Framework areas;

(2) a LDF had been developed for the South Central area, following internal research of issues affecting the area and consideration of existing plans and local strategies;

(3) feedback for the LDF had been sought by undertaking a community wide place standard survey, and hosting scenario workshops with key stakeholders;

(4) following a series of consultation exercise, spatial opportunities, cross-cutting issues and key priorities had been identified;

(5) the collective vision for the South Central area was to ensure that it would be a resilient, vibrant and sought after area to live, work, play and do business in;

(6) desired outcomes and a strategic approach had been identified with an Action Programme to develop 4 outcomes as follows:-

(a) a thriving and vibrant South Central;
(b) a sustainable and liveable South Central;
(c) a connected South Central; and
(d) a green and resilient South Central; and

(7) the public consultation for South Central LDF had closed on Monday 31st October 2022, and feedback would be reviewed with a view to updating the LDF.

After consideration, the Partnership

(i) noted the report; and

(ii) raised a number of questions and concerns that were addressed by Mr Ward and Ms Aziz.
