Police Scotland - Ward update noted.

8 There was heard an update by Inspector Cats Sutherland, Police Scotland, advising that

(1) incident reporting had continued to be consistent to pre covid levels;

(2) members of the public were being encouraged to use the contactus form on the Police Scotland website should they not wish to call 101 to report a non-urgent matter, as e-mails sent to individual officers might result in a delay in reporting an incident; and

(3) a Traffic Management Plan had been put in place on the Great Western Road corridor to influence driver behaviour, which had resulted in 30 individuals being charged with Road Traffic Offences.

After consideration the Partnership

(a) noted the report; and

(b) thanked Inspector Sutherland for all her work and wished her well in her retirement.
