Glasgow Community Planning Partnership

Dennistoun Area Partnership

Report by Chief Executive, Glasgow Life

Glasgow Life Updates

Purpose of Report:

To provide an update on the realignment of communities' staff within Glasgow Life and introduce the Community Development Team as a primary Glasgow Life point of contact for the Area Partnership. To provide an update on the public consultation on the Vision for Glasgow Libraries.

Recommendations:

That the Partnership note the contents of the presentations and promote to their community the Community Development Officer available for their neighbourhood and promote the public consultation to community.
