North West Glasgow Voluntary Sector Network - Update noted.

8 There was submitted a report by Ms Melanie Farrow, North West Glasgow Voluntary Sector Network (NWGVSN) providing an update on its work, advising

(1) of the Network's concern over the dramatic increased reliance on food banks, community fridges and community shops and that there had been an increase in the number of members dealing with other cost of living crisis issues; and

(2) that Acre Community Hall had opened as a warm space throughout the winter months offering a warm and friendly space for people that could not afford to heat their homes and allowed them to use the cooking facilities in the centre.

After consideration, the partnership noted and thanked Ms Farrow for the report.
