1 Introduction

1.1 The report provides an update of the activities relating to the development of a locality plan for Castlemilk, and subsequent report at the previous meeting of the partnership on 09 February 2023.

2 Development of Locality Plan

Steering Group

2.1 The steering group continues to meet on a regular basis and some of the current actions from the action plan include:

- Seek the views of people about the survey and plan from different areas, and
- Seek the views of people about the survey and plan from different backgrounds.
- Completed survey information to be collated and analysed
- Survey findings to be reported to group

2.2 **Community Engagement**

Community Engagement has been put on hold from the end of February until the analysis of the survey has been completed in May.

2.3 **Community Surveying**

The survey closed to the public on 16 February 23 and there was small number of surveys inputted by Council staff up to 27 February 23.

The total number of surveys that were completed by people of all ages from across Castlemilk is shown in the table below. The includes information from the two Tenant Participation Surveys from local housing associations.

Online Surveys	1,295
Ardenglen Housing Association	396
Cassiltoun Housing Association	430
Total	**2,121**

The Council's Locality Planning Officer is liaising with the Data Analysis Team regarding the analysis of the information. Work has started to check the information for accuracy and clarity on methodology used. Then information from the three surveys will be merged and then analysed, Finally, the findings will be presented to the steering group at a development session in May.

2.4 **Next Steps**

A development session with the Steering Group is being organised for 23/24 May 23 to consider findings of the survey analysis and the next steps.
