City Development Plan & Local Place Planning - Presentation noted.

7 There was heard and noted a presentation by Alison Laurence, Neighbourhoods, Regeneration and Sustainability regarding the development of a City Development Plan 2 (CDP2) advising

(1) that CDP2 must adhere to the National Planning Framework 4 and Development Planning Guidance;

(2) that CDP2 must also align with and bring together a range of national, regional and local strategies and projects;

(3) that early engagement on CDP2 would begin in 2023 with the aim to produce a proposed CDP2 by 2025/26 with the intention to adopt the finalised document in 2027;

(4) that the Council was currently undertaking early engagement and would be analysing consultations that had taken place in recent years to understand the views previously submitted;

(5) that the consultation would provide a new opportunity for communities to get involved in the development plan process; and

(6) of the next steps in the process.
