East Pollokshields Renaissance Forum update noted.

9 There was submitted a report by the Executive Director of Neighbourhoods, Regeneration and Sustainability providing an update on the East Pollokshields Renaissance Forum (EPRF) advising

(1) that meetings of the EPRF had taken place on a 6-8 weekly basis, which had been attended by elected members, council officers and representatives from Southside Housing Association;

(2) of the objectives of the EPRF and decisions by it, as summarised in the report;

(3) of the action programme for EPRF that focussed on Albert Drive and adjacent areas with a view to enhancing the local town centre;

(4) of the short, medium and long term actions, as detailed in the report;

(5) that Liveable Neighbourhoods had instructed a bespoke consultation for Albert Drive to support the Action Programme; and

(6) that Glasgow City Heritage Trust had been unsuccessful in its recent bid to the Historic Environment Scotland's Heritage and Place Programme for the improvement of heritage around Albert Drive.

After consideration, the Partnership

(a) noted the report; and

(b) suggested that it would be beneficial for a member of Pollokshields Community Council to be co-opted on to the EPRF.
