Police Scotland ward update noted.

6 There was heard a report by Inspector Mhairi Crawford, Police Scotland, advising the Partnership

(1) of the current progress that Police Scotland was making within the ward in relation to crime and anti-social behaviour;

(2) that bike thefts continued to be an issue and that bike marking events were being conducted within the ward that would continue over the coming months;

(3) of the increase of catalytic converters being stolen and that officers continued to monitor this;

(4) that road safety remained a local policing priority with officers continuing to conduct road safety action plans targeting hot spots, in particular around the Car Free Zones area at Thornwood Primary School and Hyndland Primary School and that officers would continue, where possible, to engage with drivers providing education with road safety matters and enforcing road traffic legislation where appropriate; and

(5) that officers continued to monitor issues regarding domestic abuse and hate crime as a high priority.

After consideration, the Partnership noted the report and thanked Inspector Crawford for all the work carried out by Police Scotland in the ward.
