Police Scotland ward update noted.

3 There was heard and noted a report by Inspector Mark McLaughlin, Police Scotland, advising that

(1) there had been no significant crime trend identified in the Ward since the last meeting of this Partnership;

(2) Community Officers were continuing to work alongside the Council on the Car Free Zone initiative at St Fillin's and Kingspark Primary Schools to educate drivers and to carry out enforcement measures where appropriate;

(3) in response to a number of complaints from residents, officers were engaging in pro-active detection and prevention of vehicles speeding at identified locations and this would also inform any future traffic surveys, for consideration of traffic calming measures being implemented;

(4) with the summer months approaching there would be a renewed focus on preventing anti-social behaviour, particularly in the numerous park areas in the Ward; and

(5) in order to help prevent cycle theft, a number of bike marking events would be held over the coming months, offering free security marking and advice.
