Neighbourhood Infrastructure Fund - Update noted.

5 There was submitted and noted a report by Karen Venables, Neighbourhoods, Regeneration and Sustainability (NRS) providing an update on the Neighbourhood Infrastructure Fund, advising that

(1) the allocated £1m of investment for the ward was capital expenditure that could be carried forward to be spent in future financial years;

(2) NRS was keen to support the process to pull together a formula costing template to assist the Partnership with decision making and that the intention of the fund was that it would be spent on physical improvements within the community; and

(3) feedback or additional suggestions were welcomed to inform the process moving forward.
