4 There was submitted and noted a report by Karen Venables, Neighbourhoods, Regeneration and Sustainability (NRS) providing an update on the Neighbourhood Infrastructure Fund, advising

(1) that the allocated £1m of investment for the ward was capital expenditure that could be carried forward to be spent in future financial years;

(2) the Centre for Civic Innovation within NRS was developing a citizen engagement model to support this process as well as future initiatives, with draft recommendations being published in May 2023; and
