Neighbourhood Infrastructure Fund – Update noted.

2 There was submitted and noted a report by the Executive Director of Neighbourhoods, Regeneration and Sustainability (NRS) providing an update on the Neighbourhood Infrastructure Fund, advising

(1) that the allocated £1m of investment for the ward was capital expenditure that could be carried forward to be spent in future financial years;

(2) that options presented could be circulated to community councils and other Partnership organisations for their feedback, with additional suggestions welcomed to inform the process moving forward;

(3) NRS was keen to support the process to pull together a formula costing template to assist the Partnership with decision making and that the intention of the fund was that it would be spent on physical improvements within the community; and

(4) that feedback or additional suggestions were welcomed to inform the process moving forward.
