Jimmy Dunnachie Family Learning Centre - Presentation noted.

4 There was heard a presentation by Mary Shaw, Jimmy Dunnachie Family Learning Centre, advising of

(1) the ongoing work and plans that the nursery within the Jimmy Dunnachie Learning Centre had to offer from the funding that had been received over the last 3 years;

(2) the progress of the willow garden development which had now allowed for 16 children and 2 Child Development Officers to have more outdoor learning activities and be able to grow their own fruit and vegetables, and

(3) the new lunch time proposal that provided more sustainable lunches, brought a high-quality dining experience and helped participants gain independent skills.

After consideration, the Partnership noted and thanked Ms Shaw for the presentation.
