Glasgow Third Sector Interface Network update noted.

9 There was submitted a report by Ms Lynn Lovelock, North West Glasgow Voluntary Sector Network (NWGVSN) providing an update on its work, advising

(1) of the continued concerns of the Network following changes to the Glasgow Communities Fund (GCF) regarding the process and outcome of phase 2 of GCF and that it continued to meet with Elected Members across the city with regard to the design and process for phase 3;

(2) of an IT recyclying project and that further information could be found at https://nwgvsn.org.uk/network-it-recycling-project-update/;

(3) that the Whiteinch Centre was working in partnership with Whiteinch & Scotstoun Housing Association on the future of the centre, gathering the views of the local community via a survey, focus groups and a Family Fun Day. https://www.whiteinchcentre.org.uk/;

(4) that there had been an increase in people requiring food from the pantry service; and

(5) that Glasgow Eco Trust had not received funding from the Glasgow Communities Fund and had since launched its fundraising campaign #GET23in23 https://www.glasgowecotrust.org.uk/get23in23

After consideration, the partnership noted the report and thanked Ms Lovelock for the update.
