**Police Scotland ward update noted.**

**7** There was heard a report by Inspector Mhairi Crawford, Police Scotland, advising the Partnership

(1) of the current progress that Police Scotland was making within the ward in relation to crime and anti-social behaviour (ASB);

(2) that Operation Optimise continued to investigate ongoing levels of bike thefts in the Ward as it continued to be an issue and that bike marking events were being conducted within the ward that would continue over the coming months;

(3) of an increase in the theft of motor vehicles that had involved the motor relay signal being a target and that Police Scotland had been issuing signal blocking pouches to owners to try to and reduce this; and

(4) that road safety remained a local policing priority with officers continuing to conduct road safety action plans, targeting hot spots, in particular around the Car Free Zones area at Thornwood Primary School and that new signage had been put in place, with officers continuing to engage with drivers providing education with road safety matters and enforcing road traffic legislation where appropriate.

After consideration, the Partnership noted the report and thanked Inspector Crawford for all the work carried out by Police Scotland in the ward.
