Neighbourhood Infrastructure Fund 2022/23 update noted – Request to the Executive Director of Neighbourhoods, Regeneration and Sustainability.

2 There was subitted a report by the Executive Director of Neighbourhoods, Regeneration and Sustainability (NRS), regarding the Partick East/Kelvindale Infrastucture Fund, advising

(1) of progress on work to be carried out within the ward and the commitments to date, as detailed in the appendices to the report;

(2) of redirected funding totalling £6m to be topped up in future budget years for road repairs, with details relating to the ward confirmed in the appendices to this report;

(3) that Area Partnerships would still be expected to allocate the full £1m initially awarded;

(4) of a pilot programme of work, led by the Council's Centre of Civic Innovation, to research existing systems etc, as detailed in the report; and

(5) that the Council's Centre of Civic Innovation would be working with colleagues from the City Policy and Corporate Governance Team to run the system in a live testing environment, as detailed in the report.

After consideration, the Partnership

(a) noted

(i) the report;

(ii) that projects proposed by NRS would be circulated to members for reference;

(iii) that a presentation and report on the progress of the Council's Centre of Civic Innovation would be provided to a future meeting of this Partnership; and

(iv) that members should consider medium to large scale projects to be supported by the fund; and

(b) requested information on which budget or funding stream was used to carry out the work on road surfacing prior to the UCI World Cycling Championships.
