Neighbourhood Infrastructure Fund 2022/23 update noted - Request to Executive Director of Neighhourhoods, Regeneration and Sustainability.

5 There was submitted a report by the Executive Director of Neighbourhoods, Regeneration and Sustainability, regarding the Springburn and Robroyston Infrastucture Fund, advising

(1) of progress on work to be carried out within the ward and the commitments to date, as detailed in the appendices to the report;

(2) of redirected funding totalling £6m to be topped up in future budget years, for road repairs, with details relating to the ward confirmed within the appendices to this report;

(3) that Area Partnerships would still be expected to allocate the full £1m initially awarded;

(4) of a pilot programme of work, led by the Council's Centre of Civic Innovation, to research existing systems etc, as detailed in the report;

(5) that the Council's Centre of Civic Innovation would be working with colleagues from the City Policy and Corporate Governance team to run the system in a live testing environment, as detailed in the report; and

(6) confirmation that Springburn and Robroyston Area Partnership had not spent any of the fund and that the Partnership had agreed to stagger the spending over 3 years.

After consideration, the Partnership

(a) noted the report;

(b) agreed that the Area Partnership would invest in 3 CCTV cameras subject to location and signal testing in the agreed areas including Robroyston train station; and

(c) requested that Martin Lundie, Neighbourhoods, Regeneration and Sustainability provide a quotation for CCTV costings at Robroyston train station and that the local community, residents and community councils should be part of the consultation process.
