Neighbourhood Infrastructure Fund 2022/23 update noted – Request to Executive Director of Neighbourhoods, Regenenration and Sustainability.

5 There was submitted a report by the Executive Director of Neighbourhoods, Regeneration and Sustainability, regarding the Langside Infrastucture Fund, advising

(1) of progress on work to be carried out within the ward and the commitments to date, as detailed in the appendices to the report;

(2) of redirected funding totalling £6m to be topped up in future budget years, for road repairs, with details relating to the ward confirmed within the appendices to the report;

(3) that Area Partnerships would still be expected to allocate the full £1m initially awarded;

(4) of a pilot programme of work, led by the Council's Centre of Civic Innovation, to research existing systems etc, as detailed in the report; and

(5) that the Council's Centre of Civic Innovation would be working with colleagues from the City Policy and Corporate Governance team to run the system in a live testing environment, as detailed in the report.

After consideration, the Partnership

(a) noted

the report; and

(b)

- requested that Executive Director of Neighbourhoods, Regeneration and Sustainability to provide costs for the following projects and bring back to a future meeting –
- lighting in Queens park;
- pedestrianisation of Skirving street;
- upgrade to Queens park play area;
- installation of multi use games area in Toryglen community hall to include the cost of a feasibility study involving local young people if required;
- CCTV installation in Toryglen (including thee sites already identified), CCTV provision in two streets in the Battlefield area (Ledard road and Overdale street);

- renovation of all the iron lamps on Holmlea bridge bringing them back into use; and

- address issues with a tree on Ledard road and public toilet provision.
