Appendix 5

Area Partnership Funding for Ward 12 April 2023

Members of Jordanhill, Thornwood and Whiteinch Community /councils met in person while Broomhill Community Council was consulted via email, and subsequently the following list of options was compiled. Once options are costed it is presumed that the Area Partnership will then confirm the priorities

Flooding:

Woodend Drive and Crow Road

Thornwood Roundabout

Victoria Park, Victoria Park Drive North at entrance at double roundabout

Expressway just before lights at Westland coming from Clydebank, heading towards the city

On Dumbarton Road outside Scotstoun Emporium

Airthrey and Westland Drive to Essex Drive

Woodcroft Avenue and Randolph Road

Roads: Re-surfacing

Dumbarton Road, Thornwood roundabout to Scotstoun Roundabout

From Dumbarton Road up Westland Drive to traffic lights on Expressway

Anniesland Road along Southbrae to Hallydown Drive

Expressway, Westland Drive to Scotstoun Roundabout

Thornwood Avenue

West Entrance onto road (no name) at Jordanhill Park (Cala homes are they responsible for the cost of this?)

Pavements/footpaths

Scotstoun Emporium to Henrietta Street

Partick, Crow Road traffic lights to Railway Bridge on British Heart Foundation side of Dumbarton Road

Crow Road from Dumbarton Road to Retail Park both sides

Westland Drive from Traffic Lights to Dumbarton Road both sides

Thornwood Avenue, area past primary school

Crow Road past Cross Park

Helensburgh Drive, ramp instead of dropped kerb at Bowling Club entrance

Underpasses – upgrade by Painting and checking drainage

Nature Walk underpass on cycle route under the Expressway, including repainting lines in correct position on lane with handrail for pedestrians

Upgrade underpass at Whiteinch Library, lighting requiring to be upgraded

Upgrade underpass from Victoria Park to Broomhill

Pedestrian Crossing

Dumbarton Road at St Paul's Church

From Marlborough across Crow Road

Fly Tipping

Re-deployable CCTV to be used for at different locations e.g.,Crosspark Laurel Place and Fore Street under bridges

Speed Restrictions

Consistent speed restrictions on Expressway after Tunnel 40 to 30

Lighting

Problem with lighting in the dip at Southbrae Drive

Questions: What's happening at Meadow Road

Lots of potholes and road deterioration in Jordanhill due to heavy lorries working on the Cala Homes site – are they responsible for all repairs, if not why not? Are there traffic control plans in place or planned for Jordanhill Drive from Cala Homes?

Malcolm's lorries using side streets in Whiteinch as short cuts damaging corners and deterioration of Edzell Street and Scotstoun Street

Potholes are everywhere how do you prioritise them? Do you have a programme to deal with them? This is a question CC's are asked all the time
