Glasgow Third Sector Interface Network update noted.

5 There was submitted a report by Ms Jane Cowie, North West Glasgow Voluntary Sector Network (NWGVSN) providing an update on its work, advising

(1) of the continued work regarding the the issues, processes and decisions that had affected the network following changes to the Glasgow Communities Fund;

(2) of the ongoing IT recyclying project, indicating that further information could be found at https://nwgvsn.org.uk/network-it-recycling-project-update/;

(3) of the work carried out within the ward, which included concerns with regards to the cost of living crisis and the loss of funding for staff within the ward and across the north west of the city;

(4) that the annexe was considering closing its doors due to increased gas and electricity costs; and

(5) of the events that had taken place in the ward, as detailed in the report.

After consideration, the partnership noted

(a) the report and thanked Ms Cowie for the update;

(b) that Partick Community Council required new members to join urgently, to keep the organisation established;

(c) that due to an increase in drug misuse by youths across the city, it was highlighted that packs of Narcan or Naloxone kits could be made available from local pharmacies that could help save someone from overdose and that training on using the kits could be found online; and

(d) that Police Scotland provided talks on drug misuse to schools and that some schools had resident campus officers who would be available to speak to anyone with any concerns.
