Local Parks & Open Space Improvement Fund update noted.

6 There was submitted an updated report by Rachel Smith, Neighbourhoods, Regeneration and Sustainability, regarding the Local Parks & Open Space Improvement Fund providing an update on projects allocated within the ward for years 2021/22 and 2022/23, as detailed in the report.

After consideration, the Partnership

(1) noted the report and raised concerns in relation to the condition of both Greenbank and Auldhouse park where there was no grass area for children to play in Auldhouse park; and

(2) agreed to consult with the community council regarding potential sites before signing off on the £8,000 Hillpark Drive investment.
