Health Improvement Update: Area Partnerships August 23

City	The HSCP updated Strategic Plan went to the IJB in June. The intent is for the individual locality plans to be updated reflecting the renewed strategic guidance from the citywide Plan.Strategic Plan 2023 | Glasgow City Health and Social Care Partnership (hscp.scot) The HSCP's revised property strategy lays out the strategic priorities for the South in terms of capital investment in infrastructure.https://glasgowcity.hscp.scot/sites/default/files/publications/ITEM%20No%2011%20-%20Glasgow%20City%20IJB%20Property%20Strategy%202023-26.pdf Glasgow City HSCP has now published The Health Improvement Strategic Direction for 2023 to 2028. Glasgow City HSCP Health Improvement Strategic Direction 2023 to 2028 | Glasgow City Health and Social Care Partnership Please see link to our Partnership Matters Briefings.Partnership Matters - May June 2023.pdf (hscp.scot) Glasgow City HSCP community services (Health Visiting and Family Nurse services supported by Health Improvement) were successfully reaccredited for Gold (Achieving Sustainability) Award by UNICEF UK Baby Friendly Initiative on 21st March 2023. Glasgow City HSCP Health Improvement Team continue to fund the Breastfeeding Peer Support Telephone Service in Glasgow City which is delivered by Breastfeeding Network (BFN). This is open to Antenatal and Postnatal women. Health Improvement are also currently exploring opportunities to provide face to face breastfeeding support in some targeted communities also. Both BFN and NCT Glasgow Breastfeeding Buddies are offering peer support training opportunities currently. These training courses are accredited and have been promoted across local community organisations and networks in the city to maximise reach.

	The Food Pantries/Community Shop directory available from Shona.Rae@ggc.scot.nhs.uk This has now been converted into a SWAY to allow updating on an ongoing basis https://sway.office.com/dk0rok7NKy6rQySD?ref=Link&loc=play . Work is underway to have this hosted this on the "HSCP Your Support Your Way" website. The Cost of Living Support Information Guide developed by Health Improvement in partnership with HSCP Poverty Group has now been completed and this has been cascaded out to staff and partners. This resource is now being evaluated and discussions are underway for this to be included in the HSCP Your Support Your Way and Glasgow Helps website in due course. As part of the wider work to address Child Poverty, Glasgow City HSCP Pathway for Emergency Infant Feeding Support. has been developed to ensure that families who are unable to buy Infant Formula Milk for their Infant can be supported via Section 22 funds. Health Visiting and Family Nurse Leads are now able to sign off on a set amount of Section 22 funds. This supports cash first approaches for families in the city as this can be paid directly via Pay Point. Alongside the funds, the pathway promotes families being supported to access Finacial Inclusion supports and to access their Health Visitor or Family Nurse for any Infant feeding support that may be required. Information about this pathway will be rolled out to 3rd sector partners at 2 online events in partnership with GCVS on 31st October and 9th November 2023. Glasgow City Health improvement Training Calendar: the schedule runs from September - December 2023 and offers different levels of training on a range of subjects from 'informed' through to 'specialist'.
