Liveable Neighbourhoods Programme - RIBA Stage 1 reports for Tranche 2 study areas of Yoker to Whiteinch, Royston to Hogganfield, Mansewood to Shawlands and Pollokshields East to Gorbals (Wards 2, 5, 6, 8, 12, 13 and 21) noted.

5 There was submitted and noted a report by the Executive Director of Neighbourhoods, Regeneration and Sustainability regarding the Liveable Neighbourhoods (LN) Programme RIBA Stage 1 reports for Tranche 2 study areas of Yoker to Whiteinch, Royston to Hogganfield, Mansewood to Shawlands and Pollokshields East to Gorbals (Wards 2, 5, 6, 8, 12, 13 and 21), advising

(1) that each report presented an analysis of initial community engagement and gathering of ideas for LN master planning in these areas, with 3-7 projects in each area to be taken forward for further development and engagement in RIBA Stage 2;

(2) that the continued development of the LN programme would make an important contribution to Council priorities by providing a framework that supported the development of transport and neighbourhood interventions that put connectivity, people and place as first choice, with the work undertaken through collaboration and partnership and completely in conjunction with the wider Council services;

(3) of the LN programme, which responded to the current City Development Plan and the overarching Glasgow Transport Strategy and related Active Travel Strategy and City Network to create a step change for Glasgow in how people and goods moved around the city, in the design of our streets and public spaces, and in encouraging more sustainable and active travel choices;

(4) of the RIBA Stage 1 stakeholder and public engagement undertaken during February and March 2023 within the 4 LN Tranche 2 areas, as detailed in the report;

(5) of the proposals contained within the RIBA Stage 1 reports that were progressing to RIBA Stage 2 for each of the 4 Tranche 2 areas, with further engagement to be held during the design stage, as detailed in the report; and

(6) of the planned reporting schedule for the LN programme for the next 6 months.
