Police Scotland ward update noted.

3 There was heard and noted a verbal report by Inspector Colin MacLucas, Police Scotland, advising the Partnership that

(1) the threat of trailbikes remained a huge challenge for Police Scotland;

(2) the identification of trailbike users was carried out with the help of local residents, and this could have only been completed with the trust of the local community;

(3) the car free zone continued to be monitored by officers at Elmvale Primary School;

(4) there would be a focus on fraud prevention; and

(5) the Your Police Survey was still live and Inspector MacLucas encouraged members to provide feedback.

After consideration, the Partnership

(a) noted the report and thanked Inspector MacLucas for all the work carried out by Police Scotland in the ward;

(b) highlighted an area of concern regarding the lack of attendance of Police Scotland at local community council meetings; and

(c) raised a number of concerns and questions that were addressed by Police Scotland.
