Police Scotland Ward update noted.

6 There was heard a report by Inspector Gerry Bryceland, Police Scotland, advising the Partnership

(1) of the current progress that Police Scotland was making within the Ward in relation to crime and anti-social behaviour (ASB) and that there had been a reduction in incidents reported;

(2) that both Halloween and Bonfire Night had gone well and the successful well managed and attended fireworks event at the Glasgow Fort had helped to reduce calls and ASB;

(3) that Officers would be working with the Wheatly Group who would cover the cost of Officers for 3 months in the Barmulloch area from December 2022 to work with NG Homes on ASB and tenant issues; and

(4) of the escalation of patrols in the run up to Christmas at the Glasgow Fort and housing estates, due to increased shoplifters.

After consideration, the Partnership noted

(a) the report and thanked Inspector Bryceland for the work carried out in the Ward and wished Sergeant Wylie well in his promotion; and

(b) that information could be accessed via the Police Scotland Twitter page, which could be shared with the wider community.
