Scottish Fire and Rescue Service - Ward update noted.

7 There was heard and noted a verbal update by Iain McCormick, Scottish Fire and Rescue Service, advising the of the current issues, incidents and work being carried out within the Ward for the period from 1st July – 30th September 2022, advising that

(1) there had been 23 deliberate fires and 12 accidental fires;

(2) Scottish Fire and Rescue Service had been working in partnership with partners agencies to promote preventative measures in relation to the use of fireworks on bonfire night, and that school talks had been provided in person and electronically;

(3) Scottish Fire and Rescue Service continued to provide winter fire safety awareness advice and had hosted cost of living workshops for members of the local community:

(4) the Fire Skills course continued to be offered to young people providing the opportunity to develop skills in a practical setting within local Fire Stations.
