Appendix 1

Agreed Options for Neighbourhood Infrastructure Improvement Fund – Hillhead Area Partnership – Ward 11, 2022-23

Option Number	Location	Proposal	Potential Budget	Feedback
4	Wilton Street and Wilton Drive, Belgrave Lane, Hamilton Drive And various across Hillhead Ward	Measures to improve drainage operation and capacity including introduction of SuDs measures, upsizing of gully pots (30 no.) and high-pressure jetting and cleaning	£60,000	NKCC comments: 4 flood locations noted around Wilton Street (ie just east of Melrose Gardens, East end of Wilton Island, 244 Wilton Street, Kelvinside Gardens) arrangements to clean and test these gullies, and works arranged if required. Queen Margaret Drive at Oban Drive and the hairdresser at Kelbourne Street is included in the flood routes programme. We would ask for this to be prioritised as flooding was evident during recent heavy rain. During recent rainfall we have noticed flooding at the bottom of the 60 Steps; ask for this to be investigated and for proper road drainage to be implemented in this area.
3	Carrington Street	Footway renewal of removal of flagstones and replace with bituminous materials – area = 12,260m2	£20,250.00	Supported by Woodlands and Park Community Council (W&PCC)
