Police Scotland ward update noted etc.

7 There was heard and noted a report by Sergeant Andy Nixon, Police Scotland, advising the Partnership

(1) of the £50m savings that Police Scotland faced during 2023/24, which would affect services;

(2) of the current progress that Police Scotland were making within the ward in relation to anti-social behaviour;

(3) that Police Scotland had been working on action plans and local plans on the run up to bonfire night and would be targeting premises who would be selling fireworks; and

(4) that the Your Police Survey was now live and analysed weekly, whilst indicating that it would be anonymous, take around 10 minutes to complete and could be accessed at https://consult.scotland.police.uk/strategy-insight_and innovation/your-police-2023-2024/ or insightengagement@scotland.police.uk;

After consideration, the Partnership

(a) noted the report; and

(b) requested that if possible, the action plans in relation to bonfire night could be shared with this Partnership.
