Housing Retrofit - Update noted.

3 There was submitted and noted a report by the Executive Director of Neighbourhoods, Regeneration and Sustainability (NRS) providing an update in relation to housing retrofit activities and programmes in Glasgow and the City Region, advising of the

(1) development of Glasgow's draft Local Housing Strategy including priorities and actions that related to housing retrofit;

(2) update of housing retrofit programmes and activities that were being delivered by NRS and partners, as detailed in the report;

(3) engagement undertaken in relation to the promotion of housing retrofit in Glasgow together with an update in relation to housing retrofit activities in the Glasgow City Region; and

(4) planned next steps that related to delivering housing retrofit activities and projects in Glasgow, as detailed in the report.
