Glasgow City Health and Social Care Partnership - Annual Service Plan and Improvement Report 2022 noted.

6 There was submitted and noted a report by the Chief Officer, Glasgow City Health and Social Care Partnership (HSCP) regarding the Annual Service Plan and Improvement Report (ASPIR) for the HSCP for 2022, advising

(1) that ASPIRs were intended to reflect upon progress and set future plans in respect of service delivery of the Council's Strategic Plan, Glasgow Community Plan and the key operational priorities of Council services;

(2) of the staffing resources and structure of the HSCP and how these contributed to the commitments contained in the Council's Strategic Plan, of the key priorities outlined in the HSCP's Strategic Plan 2019-22 appended to the report and of the achievements set out in the HSCP's Annual Report;

(3) of the performance of the HSCP against a range of national, Council and routine performance management measures in addition to a detailed quarterly corporate performance report, which included a wide variety of key performance indicators highlighting key performance improvements, as detailed in the report; and

(4) that the HSCP Business Plan for 2023/24 would be submitted to this committee following the summer recess.
