Concrete Gardens – More Space to Play PRN 038/22	The applicant currently has 3 sites - the Concrete Garden and the Back Garden for the provision of therapeutic gardening and community cookery sessions, selfcare/wellbeing workshops and free Outdoor Play/Learning for Afterschool Care and school holiday programmes. A stand-alone volunteer support and training project is also available to support volunteers to be active citizens and to develop their skills and knowledge through community-based training. The Outdoor Play Project has grown considerably whereby participant numbers have had to be capped and play sessions for multiple smaller groups shortened. There is also a lack of additional open greenspace in Hamiltonhill due to ongoing housing development. Negotiations are ongoing to purchase both the current Back Garden/Play Area and a sizable adjoining vacant land site into community ownership to protect it as a key local resource and provide local people with a meaningful stake in their future development. Jobs and Business Glasgow have agreed a Permission to Occupy lease to transform the adjoining vacant land at the Back Garden into immediate	Youth Services and Employment (including Education and Learning) Vulnerable People Culture and Leisure Environment	£71,0956 Match funding of £62,095 has been secured from Children in Need & Young Start (£49,100 and Inspiring Scotland Outdoor Play (£12,995)	£9,000	Approve: award £9,000 on condition that 1. The grant recipient must adhere to Government advice with regard to the coronavirus (COVID-19) outbreak; 2. If the event/activity cannot take place as intended or at the intended time, the grant recipient must advise Glasgow City Council if it can be rescheduled, and funds spent, by 31st March 2023; and 3. If the project cannot be rescheduled by 31st March 2023, the grant recipient must advise Glasgow City Council and ensure that funds are returned as early as possible, and no later than 31st October 2022.

PRN 045/22	Gymnastics Pilot programme provided free sessions to over 90 children from the local areas in North of the city, confirming the need for accessible/ affordable gymnastics. A list of local families with children and young people seeking membership of the club has been created. Lemon Arco is a member club of Milton Community Support Hub, supported via Glasgow Life, the ARC facility management and Steering Group. The applicant requires to purchase equipment to establish a local gymnastics club which will deliver a regular, affordable programme of Parent & Child sessions, Pre School sessions in partnership with 4 local nurseries, curriculum school sessions for St Monica's, Miltonbank and Chirnsyde Primary Schools in partnership with active schools and evening club sessions for children and young people. Initial free 6-week blocks will enable engagement with the local community and promote the club post summer. A further free summer programme, similar to the successful pilot Spring break programme, will cater for children under 10 and young people. An accessible, affordable structure & model, priced at 30% less than other gymnastic clubs city wide will be	Culture and Leisure	Glasgow Life awaited.		2. The grant recipient must adhere to Government advice with regard to the coronavirus (COVID-19) outbreak; 3. 	and its environs together. The Gala day attracted over 1500 people. The programme will begin with a parade along a determined route and an official opening of the event within the grounds of the ARC. Activities include free inflatables, fairground rides, balloon making, Animal Man and face painting as well as stalls from local groups/ organisations and music from Milton Arts Project. The café within the ARC will be open for refreshments. The organisers determined that a king and queen would be chosen from each nursery and primary school within Milton to ensure that each educational establishment is represented at the parade. Children and young people will be designing and making banners, posters, etc during the summer arts and crafts workshops to advertise the event. **Costs include:** Inflatables £2,096.40 Fairground rides £1,800.00 2 face painters £300 Balloon modelling and Animal man £500 Vintage bus for parade £100 2 sessions of Operation Play £600 3 sessions of HighBalls Low £375				rescheduled, and funds spent, by 31st March 2023; and 3. If the project cannot be rescheduled by 31st March 2023, the grant recipient must advise Glasgow City Council and ensure that funds are returned as early as possible, and no later than 30 September 2022.

Lambhill Stables Family Night PRN 325/19	aged 8yrs+ and young people aged 12yrs+ on 4 evenings per week. In January 2022 feedback from John Muir Family Awards sessions with local families from Cadder Primary School and from parents/guardians who have children and young people attending local clubs determined that there was a gap in the area for family orientated activities. Lambhill Stables, having identified that the winter attendance levels at the Friday Youth sessions and Saturday afternoon Fun Fit Club were very low, agreed to amalgamate both clubs and start up a Friday Family Night whilst accessing its small residual fund for sessional staff. Cadder Primary School's Family Liaison Officer identified local vulnerable families with children under and over 8yrs who were seeking weekly, affordable family activities they could all enjoy together. Parents/ guardians of children and young people attending clubs at Lambhill Stables voiced that their younger children (under 8) were keen to join as there were no activities locally for younger children or families. The pilot project aimed to bring parents/guardians together with their children to play together, socialise with their peer parenting group and	Employment (including Education and Learning) Vulnerable People Culture and Leisure			

Client / Project Title	Purpose of award	Local Investment Priority	Total project costs	Amount requested	Recommendation including specific conditions
	for children and young people to engage in fun, safe and meaningful activities with their friends and their families. Further to the pilot project the applicant aims to develop and strengthen the weekly Family Night by providing ingredients with which parents/guardians will use to cook healthy and affordable meals, share recipes and involve their children in trying new foods and encouraging families to sit and eat together at the end of the session. In the summer months, the project also proposes to encourage families to grow fruit & vegetable which they will use to cook/eat; spend more time together outdoors taking part in activities such as walks along the canal and Possil marsh, exploring the flora and fauna; outdoor games; bbqs, bushcraft fire cooking and using the pizza oven in the community garden. Training sessions/workshops will also be organised to inform and support parents/guardians on topics such as paediatric first aid, Triple P Parenting Program, Parenting Matters courses, autism awareness workshops, LGBT+ awareness, etc. The aim is that parents/guardians can take part in workshops/training sessions whilst the youth workers

	deliver games and activities with their children/young people in attendance at Family Night simultaneously. The cost of living increasing is adding additional strain on local vulnerable families and it is also proposed that the applicant will utilise it's current links with Citizens Advice Bureau to assist families, identified as needing additional support, with applications as and when required. There are currently 23 people from 8 families attending the Friday Family Night with another 4 families on the waiting list. The funding requested would enable the applicant to increase attendance numbers. Friday Family Night is currently unfunded. **Costs include:** 3 sessional Youth Workers x 3 hrs @£12.50pp x 38 weeks £4,275 Youth Coordinator Management 3hrs p/w @ £17.12 p/h x 38 weeks £1,952 Baby and child 2hrs First Aid Course @ £25pp £150 Arts and Crafts materials £600
