1 In terms of paragraph 6.10 of the Governance Framework, the Partnership noted that the Chair had approved the attendance of Emilia Crighton, NHS Greater Glasgow and Clyde at this Partnership meeting owing to the absence of both its named representative and substitute representative.

Minutes of previous meeting approved.

2 The minutes of 7th December 2021 were submitted and approved.

Glasgow Community Planning Partnership Governance Framework – Membership noted.

3 There was submitted and noted a report by the Director of Legal and Administration providing an update regarding the changes to the membership of this Partnership, advising that

(1) Superintendent Claire Campbell had replaced Superintendent Gary l'Anson as the substitute representative for Police Scotland;

(2) Dougie Taylor had replaced Alan Benson as the representative and Debbie Mccallum had replaced Dougie Taylor as the substitute representative respectively for the Glasgow Third Sector Interface Network.

Community Action Plan noted.

4 There was submitted a report by the Director of Community Empowerment and Equalities providing detailed information on the Community Action Plan (CAP) in regard to its themes, priorities, resources and performance that could be accessed at the following link, www.glasgowcap.org.uk

After consideration, the Partnership

(1) noted the report; and

(2) acknowledged the level of data set out in the CAP and the ongoing work to ensure that the information detailed was accessible to partners and could be mapped across partners' data to better inform the work being undertaken in relation to the production of local action plans and Ward profiles on an Area Partnership basis, whose network formed an important part of how the CPP's work would be taken forward as the CAP evolved.

Social Recovery Taskforce closure report noted – Reference to Public Health Oversight Board agreed.

5 There was submitted a report by the Director of Community Empowerment Empowerment and Equalities providing an update on the work of the Social Recovery Taskforce (SRT) chaired jointly by the City Convener for Community Empowerment, Equalities, and Human Rights and the City Treasurer, advising

(1) that the role of the Taskforce was to set out a shared vision that would drive the city's response to the impact of COVID-19 in relation to a broad range of themes and that its workstreams would inform the new Community Action Plan and Performance Management Framework for the Glasgow Community Planning Partnership;

(2) that membership of the Taskforce was wide ranging and drew extensively, though not exclusively, from partners on the Glasgow Community Planning Partnership (GCPP) Strategic Partnership and the GCPP Executive Group, with 11 workstreams having been established, led by a range of partners as detailed in the report;

(3) that the majority of the workstreams were existing community planning structures, but it had been recognised at the initial meeting that there was a need to establish 2 new workstreams to focus on Disabled Communities and the Third Sector in particular as detailed in the report;

(4) of the aims of an additional Women's Workstream that had been established in July 2021 in recognition that COVID-19 had magnified the inequalities that women experienced in our communities, with membership of this workstream comprising partner representation from Glasgow Women's Voluntary Sector Network / Wise Women, NHS, Glasgow HSCP, Simon Community, Scottish Association for Mental Health, Parent Network Scotland, Glasgow Violence Against Women Partnership and Glasgow University; and

(5) that a draft report from the Third Sector Workstream of the Taskforce – "Better Relationships, Better Outcomes" had been discussed at the Council's Wellbeing, Empowerment, Community and Citizen Engagement City Policy Committee on 12th August 2021 and that the Third Sector workstream comprised 13 leaders from within the third sector and that their report and recommendations had been informed by a series of events between the workstream members and the wider third sector, as well as a survey of the sector as detailed in the report;

(6) of the Academic Advisory Group comprising of colleagues from Policy Scotland at the University of Glasgow and the Glasgow Centre for Population Health (GCPH) that provided the SRT members and senior officials with access to research on the ways in which the pandemic had been impacting on vulnerable and protected groups in the city whose work had significantly enhanced the work of the SRT as detailed in the report ;

(7) of a community engagement project that had been take forward as part of the Taskforce's commitment to shape its strategic direction through the lived experience of the pandemic by individuals, families and communities in Glasgow; and

(8) of the key findings of the report by GCPH Health in a Changing City: Glasgow 2021, published on 6th August 2021, which provided a comprehensive analysis of changes in population, socio-economic, environmental and health factors over the last 20 years within and across the city and in comparison with Scotland as detailed in the report.

After consideration, the Partnership

(a) noted the report;

(b) agreed to remit the recommendations from the "Health in a Changing City" report and proposed strategic leads to the Glasgow Public Health Oversight Board to discuss at its meeting on 22nd February 2022; and

(c) requested that the Public Health Oversight Board report back on work currently being undertaken to address the recommendations in the report or work that will be taken forward by partners to address any gap.

GCPP Executive Group Business – Update noted.

6 With reference to the minutes of 7thDecember 2021 when the Strategic Partnership noted an update regarding GCPP Executive Group business, there was detailed and noted information on reports and presentations that had been considered at the GCPP Executive Group meeting of 2nd February 2022 which were accessible through the requisite hyperlinks sign-posting members to the relevant webpages.
