Supply and delivery of carbon dioxide monitors – Award of contract approved.

2 There was submitted a report by the Director of Legal and Administration regarding tenders received for the supply and delivery of carbon dioxide monitors, advising

(1) that Glasgow City Council's budget for the supply and delivery of carbon dioxide monitors was £750,000;

(2) that in 2021 the UK Government had made it a requirement for all classroom and teaching spaces to measure and monitor the levels of carbon dioxide and that the 2 main deliverables of the project were to comply with the monitoring of carbon dioxide levels in schools and improve the environment for learning and teaching;

(3) that a commodity team consisting of stakeholders from Neighbourhoods, Regeneration and Sustainability and this Council's Corporate Procurement Unit had been formed to develop the sourcing strategy and deliver a new contract;

(4) that 8 suppliers appointed to Scotland Excel's Framework had been invited to bid on the mini competition;

(5) that the duration of the contract was for 12 months, from 10th August 2022 to 9th September 2023; and

(6) of the evaluation scoring and estimated award value level for the recommended supplier, as detailed in the report.

After consideration, the committee approved the award of the contract for the supply and delivery of carbon dioxide monitors to Rexel UK Limited based on the estimated award level of £797,395.
